### SUSTAINABLE WIPES SOLUTIONS

100% renewably sourced, Sontara EC® Green is a cellulosic based wipe produced with proprietary Sontara® technology.

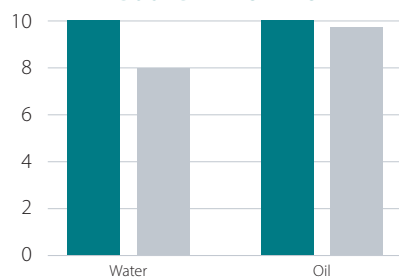

# SUSTAINABLE ENGINEERED CLOTH WIPE

# Sontara®

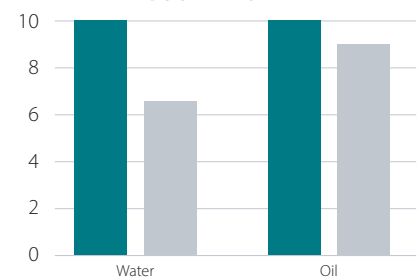

Sontara EC® Green offers exceptional critical cleaning power while being environmental responsible. The ultra-pure production process also protects the material from binders, chemicals and silicone. Sontara EC® Green is an excellent alternative to non-compostable substrates.
